## **Allocation of Funds as per the PI Guidelines**

Revision of the following Allocation of Funds as per the PI Guidelines:

- ✓ Re-allocation of 10% of the funds towards travel as against the earlier limit of 15% owing to limited and necessary travel undertakings only.
- ✓ Re-allocation of 15% of the funds towards events and support to DIO related activities including marketing, outreach and other support through inhouse/outsourcing resources etc, as against the earlier 20%, as the physical outreach costs have reduced significantly.
- ✓ Bifurcation of the earlier 40% limit towards co-working and infrastructure facilities into - upto 10% focused towards capital and infrastructure facilities and upto 30% towards co-working facilities provided to the startups.
- ✓ Re-allocation of upto 35% of the funds towards manpower as against the earlier limit of 25% owing to the expanding horizons of DIO in terms of startups, events and other support
