

### **Important Advisory: DISC/ADITI Application Submission Guidelines**

To ensure a seamless and efficient application submission process for Defence India Startup Challenge (DISC) and Acing Development of Innovative Technologies with iDEX (ADITI), please carefully review the guidelines below -

#### **1. Timely Submission**

Please submit your applications well in advance to avoid last-minute rush. This will help prevent any technical issues and ensure timely processing.

#### **2. Password Change Requests**

- i. Due to security protocols, password change requests must only be submitted through the registered email to [idxdio@ddpmod.gov.in](mailto:idxdio@ddpmod.gov.in) in the prescribed format (refer **Annexure 1**).
- ii. To avoid delays, the applicant must ensure that the iDEX application account can be accessed (valid password).
- iii. Please note that the password change requests (if any) must be submitted to the aforementioned email at least 4 days prior to the application deadline.

#### **3. Troubleshooting**

In case of issues during application submission, the applicants may refer to the iDEX “Troubleshooting guide for iDEX challenges” available in:

- “Important Notices” section & “Announcement” Section ([Click here](#))

on the iDEX website.

#### **4. Grievance Redressal**

For any issues or concerns regarding DISC/ADITI application submission, please write to [idxdio@ddpmod.gov.in](mailto:idxdio@ddpmod.gov.in) highlighting the specific issue and related details.

We are committed to assisting you promptly.

Your cooperation will help us ensure a seamless application submission process.

**Annexure 1 – Email format for Password Change Requests**

**Subject:** Request for password Change – (*Registered Email ID*)

**Email format:**

I have an iDEX application account with the following details:

**Applicant Name:** \_\_\_\_\_

**Username/Registered Email ID:** \_\_\_\_\_
